

Application for Rehearing of Mid-Atlantic Area National Corridor
Docket No. 2007-OE-01

J.R. and Becky Sullivan

Eighty Four, PA
Washington County Resident

We are requesting a rehearing. We do not believe our objections have been addressed. We are very disappointed with the ruling to approve the Mid-Atlantic Area National Corridor and would like another chance to be heard. We do not believe the Department has fully examined the concerns and interests of the residents that will be affected by the Corridors approval.

Sincerely,
J.R. and Becky Sullivan
